

# Cable Ties

## Double locking cable ties

- Suitable when required a stronger closure strength. suitable for a wide range of uses such as: cable tightening and binding, pipe tightening, reinforcement of buildings, use of agriculture, security, military and more.
- Using the product shortens the tightening and connection time significantly.
- The product is disposable and not reusable
  - Note: After tightening the product, it cannot be released except by cutting the cable tie.
- The product is made of high quality PA66 nylon material from DuPont
  - Material especially resistant to harsh weather conditions, humidity, and hot areas
