

Cable Ties

Releasable cable ties

- Suitable for a wide range of uses, such as: tightening and binding of cables, tightening of pipes, reinforcement of structures, use in agriculture, security, army and more.
- Using the product shortens the tightening and connection time significantly.
- The product is reusable and can be stapled and released using a tool or finger by pressing the closing tab at the top of the cable tie.
- The product is made of high quality PA66 nylon material from DuPont - Material especially resistant to harsh weather conditions, humidity, and hot areas
